Product Name :
Fundamentals Of Statics

Product Code :
LBNY-0005-101000130

Description :

Panel with imprinted 50mm line grid and facility to write on using erasable marker.
Lever rods with 50mm grid.
Experimental setup to demonstrate simple, planar force systems.
Panel for easy mounting of various experimental components.
Force gauges for tensile and compressive forces, with large-format display.
Transparent dial on force gauge rotatable.
Wide range of mountings: cables, rods, pulleys, torque discs, pivot bearings and the like.
Three weight sets, each with Four weights.
Tray for the components.

Technical Specification :

Fundamentals Of Statics
