Product Name :
Fundamentals of Mechanical Friction

Product Code :
LBNY-0005-101000133

Description :

Force gauge overload-proof, with clearly legible transparent dial.
Two friction bodies each with two different surfaces.
Two supporting friction surfaces with a total of three different surfaces.
Two cable drum driving speeds.
Fundamentals of mechanical friction.
Friction body and force gauge stationary, supporting friction surface motor driven.
Box to house the components.

Technical Specification :

Fundamentals of Mechanical Friction
