**Product Name :**  
Fundamentals of Mechanical Friction

**Product Code :**  
LBNY-0005-101000133

**Description :**

Force gauge overload-proof, with clearly legible transparent dial.  
Two friction bodies each with two different surfaces.  
Two supporting friction surfaces with a total of three different surfaces.  
Two cable drum driving speeds.  
Fundamentals of mechanical friction.  
Friction body and force gauge stationary, supporting friction surface motor driven.  
Box to house the components.

**Technical Specification :**

Fundamentals of Mechanical Friction
