Product Name :
Venturi Flume

Product Code :
LBNY-0005-103000140

Description :

Venturi flume consisting of 1 base plate, 2 side elements, 1 clamping device
Side elements with sealing lips
Venturi flume for the experimental flume.

Technical Specification :

Technical Data:

Venturi flume
Narrowest cross-section, WxH: 152x430mm
LxWxH: 1000x304x450mm
Side element
Material: PMMA
LxWxH: 828x76x430mm.
