Product Name :
New Energy (Battery Energy Vehicle) Whole System

Product Code :
LBNY-0002-660012

Description :

New Energy (Battery Energy Vehicle) Whole System

Technical Specification :

Troubleshooting and Testing Platform.
Designed for
Test protecting voltage of over charge,
Recovery voltage of over charge,
Protecting voltage of over discharge,
Recovery voltage of over discharge,
Protecting current of over current,
Delayed performance of over current protecting total current self consumption
1~24 series power battery protection board tester.
