Product Name :
Transparent Internal Combustion Engine

Product Code :
LBNY-0005-11200037

Description :

The following unique features are obtained:

- Oil-free cylinder and crankcase
- Can be run on any combustible fuel
- Water injection
- Full combustion visibility
- Variable spark timing lever

Technical Specification :

Technical Features:

- Stroke: 2
- Bore: 1 5/8
- Developed power: ½ HP
- Compression ratio: 3 : 1 - 4 : 1
- Fuel: gasoline, methyl alcohol, acetone, ether, propane gas
- Cooling system: forced air.
