Product Name :
New Energy Pure Electric Powertain Disassembly and Assembly Training Platform

Product Code :
LBNY-0002-660015

Description :

New Energy Pure Electric Powertain Disassembly and Assembly Training Platform

Technical Specification :

New Energy Pure Electric Powertain Disassembly and Assembly Training Platform.
Based on the original drive motor system of pure electric vehicle, this bench truly shows the structure, principle and working process of the drive motor system of electric vehicle;
Equipped with intelligent fault module, it can carry out fault diagnosis, fault simulation and troubleshooting.
The actual operation of fault detection and diagnosis, fault simulation and troubleshooting.

New Energy Pure Electric Powertain Disassembly and Assembly Training Platform, New Energy Pure Electric Powertain Disassembly and Assembly Training Platform Equipments, New Energy Pure Electric Powertain Disassembly and Assembly Training Platform Tools, New Energy Pure Electric Powertain Disassembly and Assembly Training Platform Tool Kits, New Energy Pure Electric Powertain Disassembly and Assembly Training Platform Manufacturers, New Energy Pure Electric Powertain Disassembly and Assembly Training Platform Suppliers from India, China, Kenya
