

Email : sales@laboratoryinstrumentindia.com

Product Name :
In Line Fuel Injection Pump With Vacuum Governor

Product Code :
LBNY-0005-12000083

Description :

Possible demonstrations:

Function of vacuum governor
Stroke of pump plungers
Function of pressure valves
Displacement of control rod
Function of supply pump
Rotation of the pump plungers.

Technical Specification :

In Line Fuel Injection Pump With Vacuum Governor
