

Email : sales@laboratoryinstrumentindia.com

Product Name :
Inline Fuel Injection Pump With Centrifugal Governor

Product Code :
LBNY-0005-12000084

Description :

Possible demonstrations:

Rotation of the pump plungers
Stroke of pump plungers
Function of centrifugal governor
Function of supply valves and pump
Displacement of control rod
Function of pressure valves.

Technical Specification :

Inline Fuel Injection Pump With Centrifugal Governor

Laboratory Instrument India
