**Product Name :**  
16V EECV Multi Point Injection

**Product Code :**  
LBNY-0005-120000136

**Description :**

Self-contained fully operational Petrol and Diesel Engine Rigs. Complete with start, charge, fuel, air-intake, cooling and exhaust systems.

The petrol and diesel engine rigs offers an enhanced training resource, hands-on training with real components, greater understanding for the student without the constraints of the modern motor vehicle.

Engines can be supplied with fault insertion boards, this allows a range of open circuit and high resistance faults to be inserted, designed to aid teaching diagnostics, fault finding and troubleshooting.

Petrol and diesel engine rigs are manufactured to replicate the engine bay of the donor vehicle.

All rotating parts are fully guarded.

Diagnostic sockets are fitted to the engine rigs as appropriate. Optional Fault Board available.

**Technical Specification :**

16V EECV Multi Point Injection
