**Product Name :**  
Air Conditioning with Automatic Climate Control

**Product Code :**  
LBNY-0005-120000244

**Description :**

Electrical Faulting either locally via Keypad or remotely via Network  
Selectable Interior Temperature Settings  
Compact Variable Compressor  
Thermostatic Expansion Valve  
Automatic/Manual Dual Zone Climate Control  
Powder-Coated Frame  
Courseware Included  
Includes Refrigerant Liquid Line control valve for Pressure Faulting  
Tip Jacks for DVOM measurements  
220V 5HP Motor.

**Technical Specification :**

Air Conditioning with Automatic Climate Control

**Laboratory Instrument India**
