

Email : sales@laboratoryinstrumentindia.com

Product Name :
Air Conditioning with Automatic Climate Control

Product Code :
LBNY-0005-120000244

Description :

Electrical Faulting either locally via Keypad or remotely via Network
Selectable Interior Temperature Settings
Compact Variable Compressor
Thermostatic Expansion Valve
Automatic/Manual Dual Zone Climate Control
Powder-Coated Frame
Courseware Included
Includes Refrigerant Liquid Line control valve for Pressure Faulting
Tip Jacks for DVOM measurements
220V 5HP Motor.

Technical Specification :

Air Conditioning with Automatic Climate Control
