Product Name :
Cutaway Air Brake Chamber

Product Code :
LBNY-0005-121000223

www.laboratoryinstrumentindia.com

Description :

The Cutaway 30/30 Air Brake Chamber is partly cut away so that a trainee can observe the internal elements housed within the chamber.

Educational Advantages:

Shows all internal components

Allows for some manual movement of actuator rod

Students can visualize actuator internal operation without the danger of sudden spring release.

Technical Specification :

Cutaway Air Brake Chamber
