Product Name :
Cutaway Engine And Transmission 1.8l

Product Code :
LBNY-0005-121000275

Description :

The trainer has also been strategically sectioned and cutaway to allow students to visualize the internal engine and transmission components, and the variable timing and valve lift electronic control system. The Cutaway Engine And Transmission 1.8l Trainer has been specifically designed for demonstrating the operation of a 1.8L engine with transmission, shift lever and the iVTEC (Variable Valve Timing And Lift Electronic Control) system which is operated by regulated air pressure.

Advantages:

- All OEM components
- Functional iVTEC system operated by regulated air pressure
- Driven by electric motor
- Functional hydraulic clutch and shifter
- Completely enclosed for safe observation.

Technical Specification :

Cutaway Engine And Transmission 1.8l
