Product Name :
Workshop Sheet Metal Gauge

Product Code :
LBNY-0004-740009

Description :

Workshop Sheet Metal Gauge

Technical Specification :

Sheet Metal Gauge

Premium Quality Material of Stainless Steel: This sheet metal thickness gauge is made of Stainless Steel , which will not rust in dry environment and easy to keep.

Key Chain Design: Every metal thickness gauge is with a Key Chain. And it is pocket size and light weight, easy to use and carry. You can hang it on inspection tool kit or other place to avoid losing.

Laser Engraving of Scales: Different from other black painted thickness gauge which is easy to wear away. This metal thickness gauge is laser engraving, the scale is clear. And will not wear out, resulting in unclear scale or difficult reading issues.

Standard sheet metal gauges 2 pc @ following materials:

- Carbon Steel
- Galvanized Steel
- Stainless Steel
- Aluminum
