

Email : sales@laboratoryinstrumentindia.com

Product Name :
Hydraulic Shaping Machine

Product Code :
LBNY-0005-12300067

Description :

Features:

Pressure relief valve
Flow Control Valves
Solenoid operated direction control valves
Speed Control Valves
Hydraulic vane pump
Hydraulic Power pack unit complete with electric motor 2 H.P
Accessories
Analogue pressure gauges and all safety factors.

Technical Specification :

Hydraulic Shaping Machine

Laboratory Instrument India
