**Product Name :**  
Hydraulic Shaping Machine

**Product Code :**  
LBNY-0005-12300067

**Description :**

**Features:**

Pressure relief valve  
Flow Control Valves  
Solenoid operated direction control valves  
Speed Control Valves  
Hydraulic vane pump  
Hydraulic Power pack unit complete with electric motor 2 H.P  
Accessories  
Analogue pressure gauges and all safety factors.

**Technical Specification :**

Hydraulic Shaping Machine

**Laboratory Instrument India**
