

Email : sales@laboratoryinstrumentindia.com

Product Name :
Column Type Geared Drive Fine Feed

Product Code :
LBNY-0005-12300079

Description :

Features:

Micro feed precision
Adjustable gibs on table precision
Belt driven and round column
Strong rigidity power cutting and precise positioning.
Milling, drilling, tapping, boring and roaming.

Technical Specification :

Column Type Geared Drive Fine Feed

Laboratory Instrument India
