

Email : sales@laboratoryinstrumentindia.com

Product Name :
Memories

Product Code :
LBNY-0005-12400050

Description :

Circuit blocks of Memories
Types of memories: RAM and EPROM
Elementary memory cells.

Memories

Elementary memory cells
Structure and operating principles
Theoretical topics of Memories
Memory classification
RAM memory
Sequential memory
Terminology and main characteristics
ROM memory
Fault simulation.

Technical Specification :

Memories

Laboratory Instrument India
