

Email : sales@laboratoryinstrumentindia.com

**Product Name :**  
Memories

**Product Code :**  
LBNY-0005-12400050

**Description :**

Circuit blocks of Memories  
Types of memories: RAM and EPROM  
Elementary memory cells.

**Memories**

Elementary memory cells  
Structure and operating principles  
Theoretical topics of Memories  
Memory classification  
RAM memory  
Sequential memory  
Terminology and main characteristics  
ROM memory  
Fault simulation.

**Technical Specification :**

Memories
