

Email : sales@laboratoryinstrumentindia.com

Product Name :
Oscillators

Product Code :
LBNY-0005-12400060

Description :

Theoretical topics:

Characteristics of Wien bridge Oscillators with Oscillators amplifier
Characteristics of RC-phase shift Oscillators
Characteristics of Meissner Oscillators
Characteristics of Crystal Oscillators
Characteristics of Wien bridge Oscillators with transistor
Characteristics of Colpitts Oscillators
Fault simulation
Characteristics of non-inverting crystal Oscillators.

Circuit blocks:

Low frequency Oscillators: Phase shift oscillator Wien transistor oscillator Wien OA oscillator
Astable Monostable Bistable multi vibrators
Quartz frequency Oscillators: Sinusoidal crystal oscillator CMOS non inverting crystal oscillator.

Technical Specification :

Oscillators
