Product Name :
Single Phase Power Unit

Product Code :
LBNY-0005-12600057

Description :

Residual current circuit breaker with overload protection for connection to the single phase mains.

Technical Specification :

Rated voltage $U_n = 230 \text{ Vac}$
Rated current $I_n = 16 \text{ A}$
Sensitivity $I_d = 30 \text{ mA}$
Output terminals L and N, with pilot lamp.
Minimum operating voltage $U_{min} = 100 \text{ V}$.
