Product Name :
P Controller

Product Code :
LBNY-0005-12600089

Description :

Proportional action controller suitable for the closed loop continuous control systems.

Technical Specification :

Technical features:

Three position switch coarse setting.
Led indicator of over range.
Potentiometer fine setting.
Power supply: +15 V ; 0 V ;15 V
Proportional gain $K_p = 0 \dots 100$
Signal voltage range: 10V, , +10V.
