Product Name :
Summing Point 2 Inputs

Product Code :
LBNY-0005-12600092

Description :

Two input summing point, one non inverting input and one inverting input.

Technical Specification :

Technical features:

Led indicator of over range.

Gain factor = 1

Power supply: +15 V ; 0 V ; 15 V

Signal voltage range: 10V, ..., +10V.
