Product Name :
Smoke Release Apparatus

Product Code :
LBNY-0005-1350004

Description :

Benefits

Built-in safety measures
Complete and ready-to-use system
User-friendly operations and control software

Features:

PLC integrated safety and control system, 24V DC powered
Independent burner control
Combustion chamber
Specimen holder
Light-source control 5V DC switch mode power supply
Convection cooling
Ignition system
Photometric system
Thermocouple type K interlock for main and auxiliary burners
Fan and exhaust damper control
Various built-in safety measures including over-voltage and over-current protection
Control unit, including smoke meter
Exit Sign software.

Technical Specification :

Smoke Release Apparatus
