Product Name : Wireless Conductivity Sensor	**Product Code :** LBNY-0004-780072

Description :

Wireless Conductivity Sensor

Technical Specification :

Wireless Conductivity sensor:
Range: 0 to 20000 ?S/cm
Resolution: at least 0.1 ?S/cm
Accuracy: ± 10% of value from 200 µS/cm to 20,000 µS/cm
Below 200 µS/cm: qualitative
Temperature compensation: 0 to around 80°C
Temperature accuracy: ± 0.5 C
Includes adapter to connect sensor to laptop or PC

Laboratory Instrument India
