Product Name :
Brake Board Cutway

Product Code :
LBNY-0005-18600036

Description :

All the brake parts are provided as detailed cutaway models, connected together to enable easy understanding of the brake assembly operation. Educational model of a modern braking system for motorcars.

The assembly consists of:

- Servo brake with foot control panel and brake pump
- Electronic control unit
- Self-ventilating disc brake with phonic wheel and sensor
- Rear disc brake with phonic wheel and sensor
- Oil tank.

Many parts have been chromium-plated and galvanized for a longer life. Brake Board Cutway model is carefully sectioned for training purposes, professionally painted with different colours to better differentiate the various parts.

Specification:

Equipment Layout: On Stand with Wheels

Operated: Static.

Technical Specification :

Brake Board Cutway
