**Product Name :**  
Electrical Power Digital Measuring Unit

**Product Code :**  
LBNY-0005-18400011

**Description :**

Measurement of AC voltage, current, power, active energy, reactive energy, apparent energy, power factor and frequency.

Measurement of dc voltage, current, power and energy.

Alternate voltage: 450 V

Alternate current: 20 A

Direct voltage: 300 V

Direct current: 20 A

Power: 9000 W.

**Technical Specification :**

Electrical Power Digital Measuring Unit

**Laboratory Instrument India**
