Product Name :
Statics Forces Kit

Product Code :
LBNY-0005-19800011

Description :

The Statics Forces experiment kit enables students to understand the centre of gravity of different shapes and analysis of forces in equilibrium for concurrent and non-concurrent force.

Features:

students understanding in this field.

Clear and concise pictorial assembly instructions enhance the learning experience

Multiple experimental capabilities per self-contained kit

Supplied with a detailed instruction manual, covering the theory of forces including multiple practical experiments designed to further develop the

Hands-on Learning

Applied student Learning via Building and experimentation

Tool-Less assembly.

Technical Specification :

Statics Forces Kit
