Product Name :
Micro Centrifuge

Product Code :
LBNY-0003-830018

Description :

Micro Centrifuge

Technical Specification :

MicroCentrifuge

For quickly spinning down and mixing solutions during DNA electrophoresis and PCR experiments

Speed 6,000 rpm/2,000 x g

Safe on/off switch

Starts and stops in seconds

Capacity for 6 x 1.5/2.0 ml tubes
