Product Name :
Paint, Chalkboard, Black

Product Code :
LBNY-0010-2100012

Description :

Paint, blackboard, black, non-inflammable, non-toxic, water-based, tin of 500ml, with spring locked lid to prevent spillage during transport.

The labelling on the tin provides clear instructions for use; instructions on how to clean the brush after painting, as well as storage conditions (frost-free).

It is essential that the opening of the tin is 65mm diameter, enough to accommodate the Paint Brush (width 50-60mm).

Technical Specification :

Paint, Chalkboard, Black
