Product Name :
Multiple micronutrient pdr,sach

Product Code :
LBNY-0022-220031

www.laboratoryinstrumentindia.com

Description :

A multiple micronutrient powder (MNP) supplement containing 15 essential vitamins and minerals in the base of a carrier. MNPs are designed for point of use fortification of complementary foods for children and vulnerable populations to prevent anaemia and vitamin and mineral deficiencies. Each sachet weighs 1 gram, supplied in boxes or pouches of 30 sachets.

Technical Specification :

Micronutrient supplementation/food fortification for young children where dietary micronutrient intakes are insufficient.

Micronutrient supplementation/food fortification in complementary foods for breast-fed infants.
