Product Name :

Winch and Accessories for Cable-Way Span up to 150m

Product Code :

LBNY-0002-830014

Description :

Winch and Accessories for Cable-Way Span up to 150m

Technical Specification :

Winch and accessories for cable-way span up to 150m

Electric Winches come in various sizes and lifting capacities. All winches are precision engineered and constructed from heavy duty material which creates a high performance product with low maintenance; suited for a wide range of applications. The electric winches feature the CP, CWG and CWL range.

Product Features:

Lightweight and compact design for easy installation and portable use.

Electromagnetic spring-applied failsafe brake designed for both static and dynamic loading which applies automatically in the event of power loss.

IP65 pendant control.

24V push button control supplied as standard with all CP and CWG models.

Compact load sharing design of the heat-treated planetary gear which ensures quiet operation and long life.

Emergency stop function switch is featured on all models.
