**Product Name :**  
Digital Capacitance Meter

**Product Code :**  
LBNY-0004-101000142

**Description :**

It is double-integral modulus/digit converter measurement method and LCD, with 1999 maximum display and automatic polarity display.

Dimension (L\*W\*H CM): 18.6\*8.2\*2.3

**Technical Specification :**

Digital Capacitance Meter
