

Email : sales@laboratoryinstrumentindia.com

Product Name :
Digital Capacitance Meter

Product Code :
LBNY-0004-101000142

Description :

It is double-integral modulus/digit converter measurement method and LCD, with 1999 maximum display and automatic polarity display.

Dimension (L*W*H CM): 18.6*8.2*2.3

Technical Specification :

Digital Capacitance Meter

Laboratory Instrument India
