Product Name :
Three-dimensional Magnetic Induction Line De

Product Code :
LBNY-0004-101000261

Description :

It can vividly demonstrate the formation of the magnetic field direction, magnetic induction line direction and magnetic induction line around the magnetic field. This instrument consists of the permanent magnet and the magnetic field lines. This instrument is mainly used to teach the physical magnetic field in the middle school.

Technical Specification :

Dimension (L*W*H CM): ?17.5*20.4
