Product Name :
Spark Chronoscope

Product Code :
LBNY-0004-101000385

Description :

It is usually combined with inclined plane trolley, sparking-describing instrument and hook code group to do experiments, such as uniform linear motion, motion with constant acceleration, Newton's Second Law, motion of a free falling body, kinetic energy theorem and law of conservation of mechanical energy.

Technical Specification :

Dimension (L*W*H CM): 15*6*4
