

Email : sales@laboratoryinstrumentindia.com

Product Name :
Electrical Phenomena

Product Code :
LBNY-0006-10100019

Description :

Products are mainly used to explore the interactions, electrostatic charge between the phenomenon of detection of conductors and insulators, the human body can be conductive to make fruit cell can produce electricity, and the factor of hand generator principle and motor rotation direction and speed.

Technical Specification :

Electrical Phenomena

Laboratory Instrument India
