**Product Name :**  
Incubator

**Product Code :**  
LBNY-0008-10100016

**Description :**

Performance: Power supply voltage: single phase 220V + 10% (50Hz)?Power rating: 300W?Operating temperature range: 20?60 ??Temperature fluctuation: no more than  $\pm 1$ ?.  
Function: for vaccine culture.

**Technical Specification :**

Incubator

**Laboratory Instrument India**
