**Product Name :**  
Inductor

**Product Code :**  
LBNY-00012-10100010

**Description :**

Adjustable inductance, maximum  $I=1.8A$ ,  $L$  between  $0,15 H - 1,1 H$ , the resistance is less than or equal to  $15 \Omega$ , with safety terminal.

**Technical Specification :**

Inductor

**Laboratory Instrument India**
