

Email : sales@laboratoryinstrumentindia.com

Product Name :
Molecular Physics and Thermal Suite

Product Code :
LBNY-00012-10100092

www.laboratoryinstrumentindia.com

Description :

The instrument is equipped with a thermometer, a calorimeter, an injector, a compass, a vertical clamp, etc. The combination mainly demonstrates force and heat.

Technical Specification :

Molecular Physics and Thermal Suite

Laboratory Instrument India
