Product Name :
Portable Turbidimeter

Product Code :
LBNY-00016-1100011

Description :

The rugged design makes this the instrument of choice for the toughest environments. The Rapidly Settling Turbidity mode allows for accurate measurements even with the most difficult-to-measure settling samples. With easy-to-follow on-screen instructions, manuals or memorization are not needed for routine calibrations.

Technical Specification :

Portable Turbidimeter
