

Email : sales@laboratoryinstrumentindia.com

**Product Name :**  
Primary Turbidity Standards for Laboratory Turbidimeter

**Product Code :**  
LBNY-00016-1100050

**Description :**

Standards not harmful to the environment or to worker safety  
Preservative used enhances stability  
Biodegradable, safe and non-toxic  
Pre-diluted  
Do not include formazin  
Ready and easy to use.

**Technical Specification :**

Primary Turbidity Standards for Laboratory Turbidimeter

**Laboratory Instrument India**
