Product Name :
Splash Shield

Product Code :
LBNY-00017-1100063

Description :

Provides excellent visibility while protecting the face and neck from accidental splashes
Made from 0.25 in. thick (0.6cm) clear acrylic for durability
Can be used while sitting or standing.
Nonskid feet for added stability
Not suitable for radiation protection.
Lower end of shield is just 12 in.W (30.5cm), so it's easy to pipet or to perform other functions behind the shield.

Technical Specification :

Splash Shield
