Product Name :
Coveralls

Product Code :
LBNY-00017-11000102

Description :

Breathable inherent barrier protection against hazardous dry particles, aerosols, and non-hazardous light liquid splash.

Comfort fit design based on extensive wearer input to provide our most comfortable garment design that: enables a greater range of movement while stretching and bending, provides a more tailored fit, offers reinforcement in high stress areas for fewer blowouts, utilizes a longer zipper for easier donning and doffing and an elastic waist to better position the garment.

Longer zipper extends to chin for complete coverage of neck area

Elastic opening for tighter fit at ankle

Elastic opening for tighter fit at wrist

Provides an ideal balance of protection, durability and comfort of any limited use fabric technology. Protection is built into the fabric itself; there are no films or laminates to abrade or wear away. The fabric offers an inherent barrier against particles (down to 1.0 micron in size).

Attached respirator-fit hood with elastic around face opening, designed to cover neck and chin and fit around respirator face mask

Greener Choice Claims

Environmental benefits include:

Recyclable.
