**Product Name:** 

Coveralls, Clean-Processed and Sterile

**Product Code :** LBNY-00017-11000167

## **Description:**

Coverall has elastic openings for tighter fit at wrist and ankle

Bound neck for lower particle shedding

Front zipper closure for easy donning and doffing

Seeve design for greater range of motion and comfort

Clean-proceesed and sterile coveralls worn in controlled environments protect against particulates and other contaminants.

Clean-processed garments offer lowest level of particle shedding.

Bound seams are covered with garment fabric to reinforce the seam and to reduce the potential for particle penetration

Garments are gamma sterilized to SAL of 10-6

Full traceability on all sterilized apparel with sterility available.

## **Technical Specification:**
