Product Name :
Dual Coveralls

Product Code :
LBNY-00017-11000404

Description :

Multiple interlocking threads are sewn around the raw edges of garment material to create a strong, stress-resistant seam
Attached respirator-fit hood with elastic around face opening, designed to cover neck and chin and fit around respirator face mask
Suitable for applications where comfort requirements are combined with limited protective requirements for frontal exposures
Longer zipper extends to chin for complete coverage of neck area
Storm flap of garment material covers zipper
Elastic opening for tighter fit at wrist
Comfort fit design based on extensive wearer input provides a comfortable garment design that enables a greater range of movement while stretching and bending, a more tailored fit, reinforcement in high stress areas for fewer blowouts, a longer zipper for easier donning and doffing and an elastic waist to better position the garment
Thumb loop to keep garment sleeve in place
Elastic opening for tighter fit at ankle.
