Product Name :
68-1500 PLUSFR Coveralls with Collar

Product Code :
LBNY-00017-11000496

Description :

Coveralls with Collar are made of highly breathable, flame retardant and anti-static SMMS. They are perfect for work in utilities, industrial cleaning, general maintenance, and the petrochemical industry.

Protection: Flame retardant and anti-static SMMS nonwoven provides a good barrier to particulates and low hazard liquid splashes

Design: Elastic waist, wrists and ankles, 2-way front zipper with taped storm flap, finger loops, red stitching for ease of identification, serged seams, collar

Comfort: Air and water vapor permeable ("breathable") to help reduce the risk of heat stress

Designed for protection from particulates and light, non-flammable liquid splashes.

Optimized body fit: Ensures full freedom of movement when worn over heat and flame protective clothing (EN ISO 14116 Index 2 or above)

Anti-static: Tested according to EN1149-5

Applications: Petrochemical industry, industrial cleaning, utilities, general maintenance
