Product Name :
6000FR Coverall with Elastic Wrist, Draw String Hood,
Sock Boots, Boot Flaps

Product Code :
LBNY-00017-11000541

Description :

6000 FR also exceeds the Hazard Risk Category 2 requirement of 8 cal/cm² outlined in NFPA 70E, Standard for Electrical Safety in the Workplace. 6000 FR fabrics are tested by a third party laboratory to assess its chemical permeation resistance.

Provides at least 30 minutes of protection against over 180 chemical challenges plus the added benefit of electric arc, and flash fire burn injury protection

6000 FR garments meet the requirements of Standard on Liquid-Splash Protective Ensembles and Clothing for Hazardous Materials Emergencies and NFPA 2112, Standard on Flame-Resistant Garments for Protection of Industrial Personnel against Flash Fire.

Utilized and relied on by industrial workers and responders Available in orange for high visibility and gray for low visibility.

6000 FR offers triple-hazard protection from liquid-chemical splash, flash fire, and electric arc.

6000 FR coveralls combine the trusted chemical protection of fabric and flame protection of Nomex fiber in a single-layer garment.
