Product Name :
10000FR Encapsulated Level A Suit with MSA Dual Purpose

Product Code :
LBNY-00017-11000545

Description :

10000 FR fabrics are tested by a third-party laboratory to assess its chemical permeation resistance. 10000 FR is a top choice for chemical protection in emergency situations. Provides at least 30 minutes of protection against over 285 chemical challenges. Certified in a single-skin construction, 10000 FR garments are composed of a patented, heavy-duty aluminized fabric made of a blend, laminated to a multi-layer barrier film. 10000 FR is high-visibility silver. A limited-use "single skin" garment offers broad chemical holdout.

Technical Specification :

10000FR Encapsulated Level A Suit with MSA Dual Purpose
